Bringing you more amenities on the south side of the station

What's Changing

South station:

- We're opening the new south bus loop, ticket booth and east tunnel.
- This means that GO Bus routes 12 and 18 will now stop at the south bus loop.
- Burlington Transit will still stop on the north side until further notice.
- If you transfer between GO and Burlington Transit, please give yourself a little extra time to make your connections.
- More info about these bus changes can be found at gotransit.com/servicechanges.

Thank you for your patience as we improve your Burlington GO station.
